Marty Solomon

In 2008, Marty Solomon (current Campus Pastor with Impact Campus Ministries and then Director of Outreach at Twin Falls Reformed Church) had the incredible opportunity to travel to Israel and study under Ray VanderLaan on a very similar GTI Tours. The experience changed his life forever. It seemed as though every mental image he had been given throughout his life was discarded and replaced by the things that he saw and learned.

Marty is married to the love of his life, Rebekah, and has lived in Idaho his whole life. They have two children, Abigail and Ezekiel and currently reside in Moscow, Idaho where Marty works in the field of campus ministry at the University of Idaho and Washington State University. Marty received his undergraduate degree from Boise Bible College with honors in 2005. Having a passion for historical context, Marty has spent the last seven years pouring over the study of the world of Jesus and the ancient community of God's people; he is thankful to the numerous people that have helped him in this endeavor and create the world of ministry he enjoys today.
